Membership Application/Renewal Form 2017

HELP AT SHOWS - To enable the Club to run events all members must help at a minimum of one show per year (either one full show day or two half days). Points will only be awarded to those members who have made themselves available to help at a show. If you are helping on a morning, you may compete on the afternoon of that day, or vice versa, provided your competing does not interfere with your ability to focus on helping the show organiser. Each show has an optimum number of helpers required, and once this level is reached, we may be in contact to rearrange your dates. Please provide your 1st, 2nd and 3rd choices of help days and put the dates in your diary so you don't forget what you have agreed to do. Any forms which do not indicate a date to help will be returned (but we won't stop you helping at more than one show!) Please select the show(s) at which you will help:*
