1. ***Beginners Intro Restricted*** (R) class is a walk and trot test and is for riders in their **first ever** season of dressage, NOT young horses or new combinations. The latter must enter the Intro Open (O) class. Those entering the Beginners Intro Restricted class cannot enter any other class. You can only enter *either* R *or* O but not both unless you enter one as HC.

2. The ***Senior Prelim (Restricted)*** is for the rider no longer eligible for the Beginners Intro (R) class but not yet ready to compete at Novice. Anyone entering the Prelim (Restricted) class cannot enter any other higher class. The Prelim (Open) is for those also entering a Novice class.

3. If there are insufficient entries for the ***Medium*** class, we reserve the right to withdraw the class. Check when ringing for times.

4. It is the competitor's own responsibility to obtain copies of the ***dressage tests*** from British Dressage. See www.britishdressage.co.uk.

5. If the horse and rider partnership has ***affiliated dressage points,*** they may not enter a class if they have more than 15 points at the level above or higher. E.g. they may not enter a Prelim class if they have more than 15 points at Novice level or higher.

6. See rule 28 on inside back cover for age of ***junior competitors***.

7. No ***refunds*** for dressage entries will be made for withdrawals *after* the closing date. For withdrawals *before* the closing date the entry can be carried forward to a subsequent show or the entry fee refunded.

8. We can only accept 70 entries per show day. Entries received above this level will be put on a ***waiting list*** for withdrawals.

9. ***Best Turned Out Fun Classes:*** Classes 3, 6, 8 and 11 are fun classes to raise funds for good causes. Ask at Secretary's Tent for details of the day's good cause.

10. ***Lameness***: In the case of marked lameness the judge will inform the rider that she is eliminated There is no appeal against the decision. If there are any doubts as to the horse's soundness the competitor will be allowed to complete the test and any unevenness of pace severely penalised. (British Dressage Rule 167)

11. We may be able to provide a ***reader*** for your test. You can indicate on your entry form that you would like one on the understanding that there may not be anyone available on the day. Be aware that, if there is a reader available, you will be invited to make a donation, although it might not be possible for them to read Elementary or Medium tests.
