Introduction

Welcome to Oldham & District riding Club schedule for 2020. This booklet contains all the information you will need to get the most from your membership.

Once again, we will have three shows in each of the four disciplines of dressage, Showjumping, Ridden & IN-Hand and Working Hunter plus a STARS Gala. This year we are reintroducing Combined Training and hope this will be of interest to members. The Mini One Day event, with a slightly different format, and the Winter Dressage Series are included in the schedule once again along with the Sponsored Ride, and this year we are running a Halloween-themed Pony Party fundraiser in aid of Friezland Arena.

Instruction will continue to be provided. Dressage clinics and Showjumping clinics and practises may also feature in this year's activities (check the club website, the clubs Facebook page and your email inbox for updates). If you have any special requests for training, contact one of our instruction co-ordinators.

The British Riding Clubs "Grass roots League" offers all members the chance to participate in a national league for Intro and Prelim Dressage and for 60 and 70cm Showjumping classes. You can participate in it by attending ODRC Dressage and Showjumping shows. This year we are also offering access to the Retraining of Racehorse League and Riding Club Challenge at our Dressage and Showjumping shows and we have RoR qualifiers at our Showing Shows.

Why not join one of the representative teams? How many times have we heard at shows "it's always the same ones on the teams"? This is your chance to change that, so put your name forward to the Team Managers.

Riding Club Camp is an excellent opportunity to further your riding ability and to make new friends. Don't forget the Club is run to provide a network of friendship and support to horse owners in the area.

None of our events can take place without a lot of hard work going on behind the scenes. Every member is required to help out at a minimum of one show during the season, be it helping to set up jumps, stewarding, writing for dressage judges etc, and of course putting everything away afterwards. The more who do this, the less work for all. We are always glad of volunteers please contact any committee member.

Sponsored Ride

Date: Sunday 19th April

Venue: Higher Counthill Farm, meet 9.30 am for 10 am start

Entry Fee: £10 donation in aid of NW Air Ambulance

Contact: Richard Blenkinsop / 07495 178597 / help@odrc.co.uk

By kind permission of Higher Counthill Farm there will be parking available. We will ride down Counthill Road through Waterhead and down to Huddersfield Road which we cross over. Then onto the Bridlepaths through Leesbrook Nature Park (including two main road crossings). Following these paths to bring us out onto Abbey Hills Road, crossing over before turning left onto Alt Lane and down to Park Bridge and then onto the bridal paths into Daisy Nook taking us under the low bridge. (Those with horses over 16.2 may wish to dismount).

There will be a pit stop at Daisy Nook car park where there is a café providing hot drinks and toasties etc. So, bring some money or a picnic.

We will then return practically the same way except for a different path at Daisy Nook (weather permitting).

This ride is roughly 80% off road with plenty of opportunity to trot/canter.

IF YOU WISH TO TAKE PART BE SURE BOTH YOU AND YOUR HORSE ARE FIT AND SOUND.

We will take pit stops on route as required, and there are places with grazing and access to water for the horses.

If you wish to collect sponsor money please contact Richard Blenkinsop for a sponsorship form (see above for contact details).

The ride is open to non-members. If you intend to take part or require further information contact Richard Blenkinsop (see above).

Members Only Novice Show

Date: Sunday 26th April

Venue: Friezland Arena, start time 10am

Contact: Louise Griffiths 07368 392074 or membersshow@odrc.co.uk

The **Novice section (N)** of this show is aimed at the genuine novice and less experienced rider. A novice rider, for the purposes of this section of the show, is a rider who has not been placed 1st, 2nd or 3rd in the type of class entered, at any time, at any show. (Combinations for this section can be either Novice Rider with Novice Horse or Novice Rider with Experienced Horse)

The **Open section (O)** of this show is aimed at the more experienced rider who either has a new horse or is bringing on a young horse and wishes to either gain the experience or obtain the judge's advice. (Combinations for this section can be either Experienced Rider with Novice Horse or Experienced Rider with New Horse.)

The Novice and Open classes are identical and will run consecutively but may be amalgamated at the judge's discretion if entries are low.

Competitors must elect to be in **one group** for the whole day's events, i.e. either Novice or Open. You cannot switch between sections for different disciplines. If you do not meet the criteria of either the Novice or Open sections, you are welcome to enter as a non-competitor to enable you to gain the experience you require.

Class (All classes Snaffle Bridles Only)			
1 (Novice) followed by 1 (Open) - Tack and Turnout			
2 (Novice) followed by 2 (Open) - Equitation			
3 (Novice) followed by 3 (Open) - Best Riding Club Horse			
4 (Novice) followed by 4 (Open) - Working Hunter (Very low fences)			
5 (Novice) followed by 5 (Open) - Showjumping	(a)	Max 0.50m	1' 9"
	(b)	Max 0.70m	2' 3"

- Entries on the Day £7 per class, £25 for all five classes (includes only **one** jumping class which must be declared when entering).
- Points will be awarded for each class, and the rider who gains the most points on the day in the **Novice Section** will be awarded the **Graham Tibbot Rose Bowl Trophy** and the winner of the **Open Section** will receive the Fledgling Cup at the End of Season Celebration Dance.
- We hope that all competitors will have a go at each class, and so build up confidence and experience.

ODRC Committee Meetings

The Riding Club Committee meets on the Third Tuesday in the month at the Clarence, Manchester Road, Greenfield at 7.30pm. Members are welcome to attend any meetings and to contribute to the discussion. Don't forget the AGM on 17th November 2020, which all members should attend. Come and tell us how we are doing and what you think we should be doing differently, and better still, tell us what you can do to help the Club.

ODRC Website

Keep an eye on our website. You'll find updates to this schedule as well as results of competitions as they become available. Helping Out at Shows

All shows run by ODRC are put on by volunteers, without whom no events would take place. Any offer of help at any of our events is always welcome. However, ***it is a condition of membership that you will help out at a minimum of one day or two half days per year.*** This need not prevent you from competing on the day you help (you could help in the morning and compete in the afternoon or vice versa).

Our Help Coordinator will contact you via the mobile number you have provided in order to agree a date when you will help at an event.

The Committee works tirelessly organising shows, clinics, social and training events for the membership. All we ask is that you do your bit to help ensure we can continue providing you with the great choice of activities offered by the Club. You will need to have helped out to gain club points at the end of the season.

Bridleways

We are fortunate to have a good network of bridle paths in our area, but this has not always been the case. Much work is done by bridleways organisations to ensure that our rights of way are kept open and in good order. Our Bridleways Officers act as a contact point between West Pennine Bridleways Association and ODRC.

If you have any information about rights of way that you would like to share, please contact our Bridleways Officers or any Committee member.

If you would like to become a member of West Pennine Bridleways Association to support their work (subscriptions are only £6 p.a.) see the ODRC website for an application form. WPBA now also has a Facebook page which you might find of interest.

You can only enter **either R or O** but not both unless you enter one as HC.
2. The **Senior Prelim (Restricted)** is for the rider no longer eligible for the Beginners Intro (R) class but not yet ready to compete at Novice. Anyone entering the Prelim (Restricted) class cannot enter any other higher class. The Prelim (Open) is for those also entering a Novice class.

9. **Best Turned Out Fun Classes:** Classes 3, 6, 8 and 11 are fun classes to raise funds for good causes. Ask at Secretary's Tent for details of the day's good cause.
10. **Lameness:** In the case of marked lameness the judge will inform the rider that she is eliminated. There is no appeal against the decision. If there are any doubts as to the horse's soundness the competitor will be allowed to complete the test and any unevenness of pace severely penalised. (British Dressage Rule 167)
11. We may be able to provide a **reader** for your test. You can indicate on your entry form that you would like one on the understanding that there may not be anyone available on the day. Be aware that, if there is a reader available, you will be invited to make a donation, although it might not be possible for them to read Elementary or Medium tests.

Equine Flu

Until further notice the Club requires that passports be brought to all ODRC events. Stewards will be checking Equine Flu vaccination schedule to ensure that all equines that attend our events are vaccinated in accordance with the British Riding Club current Equine Flu policy. This can be seen on our main website for download.

The Club requires an annual vaccination programme to be in place at all its events.

Please be aware that some venues have different vaccination requirements. If you wish to compete at qualifiers and championships or to attend training event organised by ODRC at other venues, you may well need to have your horse vaccinated to ensure that you comply with the vaccination policies in place at those venues. Examples are:

ODRC Camp and training events: Somerford Park – 6 monthly booster -

STARS Championship: Aintree Equestrian – 9 monthly boosters

BRC Qualifiers and Championships: various venues – 6 monthly boosters

Northern Liaison Group

As a member of ODRC you are eligible for reduced show entry rates (members rates) at all the Northern Liaison Group Clubs in the area! All you need to do is to present your ODRC Membership card on entry to their shows, and you will benefit from the reduced rates. See the list of clubs below. Also see page 3 for details of the NLG team events at which all affiliated clubs in the North West are eligible to compete. ***You can also gain points towards the British Riding Clubs Grass Roots League in Dressage and Showjumping at any of these clubs. (See page 16 for further details)***

For those of you who have not heard of the NLG, it is part of the British Riding Clubs movement, (which in turn is a part of the British Horse Society), to which ODRC is affiliated. All clubs affiliated to the British Riding Clubs movement in the North West form the NLG.

The NLG is a committee of people representing each of the clubs listed below. They organise the team events / qualifiers / training courses etc. Each club may have representatives on this Committee so contact one of them if you wish to know anything about the NLG or to raise any matters at the NLG meetings, or better still – volunteer to be an ODRC representative on the group.

Winter Dressage Series

Over the winter months of 2019/20 the Club has once again run a Winter Dressage League of 5 shows. The format has been changed this year and the final show on 5 April is a Championship. There has also been a change of venue and the shows are taking place at Higher Counthill Farm at Moorside, which has all-weather surfaces both for the working-in and for the competition arena. Keep your eye on the website, the Newsletter, the Club's Facebook page and your e mail inbox later in 2020 for details of the proposed dates for the coming winter. No ODRC membership points are awarded at these shows.

Friezland Arena

Our Club ground at Friezland Arena is owned by Oldham Borough Council who now no longer fund the maintenance of the facility. Your support, therefore, is critical for any fundraising activities for the maintenance of the Friezland site. Please see our website about becoming a "Friend of Friezland".

The Friezland User Group, (made up of representatives from ODRC, Saddleworth Pony Club, the West Pennine Bridleways Association and Greenfield & Grasscroft Residents Association) has become entirely irresponsible for its maintenance

Please help us look after the site by:

- Removing all droppings from the arena surface
- Closing the gate to the arena
- Picking up litter and taking it away or using the bins provided
- Removing droppings from other public areas such as the car park
- Cleaning up after your dog and disposing safely of the mess
- Becoming a Friend of Friezland (see our website for further details).
- Reporting any issues relating to the site or facilities to fug@odrc.co.uk

ODRC are pleased to inform members that BW Farm Supplies are offering a 5% discount for ODRC members on items (excluding feed) from their store on Delph New Road, Delph. Members must produce their ODRC membership card to claim the discount.

Calculating Your Points

All ODRC members in all classes (except at Members Only Novice Show, Mini ODE & Winter Dressage) are eligible for points towards the year-end championships. The points are awarded as indicated in the table and are calculated for each rider & horse partnership separately, so that riders who enter more than one horse will not have an unfair advantage over those entering only one horse.

Every year trophies are awarded at Presentation Night to the points winners of each of the disciplines / classes carried out at each of our shows. In order to be eligible to win an end-of-year trophy or to be placed for the purposes of end-of-season rosettes, Members must have competed at least TWICE in the relevant class. Where possible, we will award to 6th place, and these will be awarded based on points accrued in accordance with the guidance below.

In addition, points will only be awarded to those members who have made themselves available to help at a show as per the condition of membership. Help days must be completed by the 31st October of the current year.

The "Overall Points Champion" (winner of the Jean Rowley Memorial Cup) is calculated by taking the top two scores of each rider from each discipline per show, i.e. we will take your top scores from each show. This means that any horse/rider partnership progressing through different levels, moving up or down a level or entering different showing classes in a particular discipline will not be discriminated against for overall points calculation.

Team members also receive rosettes at Presentation Night for having represented the Club.

Position in Class	Points Awarded	Total Points Gained
First	6 + 2 for entering	8
Second	5 + 2 for entering	7
Third	4 + 2 for entering	6
Fourth	3 + 2 for entering	5
Fifth	2 + 2 for entering	4
Sixth	1 + 2 for entering	3
All other unplaced members	2 for entering	2

In the event of a tie for points at the end of the season, placings for trophies and end-of-season rosettes will be made in the following order:

- The horse / rider combination with the highest placings over the greatest number of shows. If this does not create an outright winner then we will use:
- Number of times class is entered by horse / rider combination (i.e. someone entering the same class at all 3 shows will be placed higher than someone entering the same class at 2 shows)

If neither of the above creates an outright winner a tie will be declared.

Example

Horse/rider A enters a class only once and comes first getting 8 points.

Horse/rider B enters the class twice coming 5th twice getting 8 points.

Horse/rider C enters the class three times and gets placed 6th twice and is unplaced once also getting 8 points.

Horse/rider B would be 1st overall and get the trophy as they have entered and been placed highest the most times.

Horse/rider C would be 2nd as they have been placed twice but entered the class the most times.

Please note that points will only be accrued from the date on which you join the Club. Members joining after the season has commenced will not gain points from any shows attended as non-members.

ODRC Rules

All O&DRC competitions in this schedule are run in accordance with the 2020 rules for Riding Club competitions (see British Riding Clubs website) excepting situations where a further set of rules is stated (e.g. Working Hunter classes) or where a rule is deemed unnecessary by the Committee or Show Organiser.

SAFETY

1. The Committee is not responsible for any accidents to riders, spectators, horses, vehicles or properties of any description, damage or loss sustained by any person whilst on the Showground.
2. O&DRC is a riding club open to all ages and we are aware of our safeguarding responsibilities towards children as junior members and spectators. All are welcome at our open events, but juniors must be accompanied by a responsible adult at all times whilst at an ODRC event and participate at their parents' or carers' own risk. Class entries must be made by parent/guardian otherwise entry will not be accepted. Children present on the Showground as spectators must be supervised at all times by parents or carers.
3. Competitors and spectators must obey the instructions of the Officials of the Club at all times whilst on the Showground.
4. In all Riding Club activities when mounted riders MUST wear protective headgear which conforms to the current safety standards (PAS015 1998 or 2011, VG1 01.040 2014-12, ASTM F1163 (2004a or 04a onwards), Snell E2001 or 2016, AS/NZS 3838 (2006 onwards). Such headgear must be worn with harness properly adjusted and fastened. We strongly advise that body protectors to current safety standards (BETA level 3 (purple label) 2009 or later) be worn for all jumping activities, and that all competitors walk the course before jumping classes. Safe footwear must be worn at all times when mounted, i.e. a boot with a heel (not trainers).
5. It is the rider's responsibility to ensure that all tack is in good condition and correctly adjusted before all riding and in hand activities.
6. The Committee reserves the right to exclude any horse or pony it considers to be a danger to spectators or other competitors. Known kickers should wear a red tail ribbon. Judges have the discretion to eliminate from a class any horse/rider partnership they believe to be unsafe.
7. Galloping on the Showground is forbidden. Any rider contravening this rule will be asked to leave the Showground.
8. Dogs must be kept on a lead and under control at all times.
9. No stallions or colts allowed on the Showground, except with the prior permission of the Committee obtained a minimum of 28 days before the date of the show.

ETIQUETTE & HOUSEKEEPING

10. The Judge's decision on the day is final in all classes. Please remember that judges are guests of the Club and should be treated with courtesy at all times.
11. Classes at any show may be merged or split at the Show Organiser's discretion.
12. No refunds will be given after an entry has been paid
13. Objections must be made in writing to the Show Secretary within 30 minutes of the alleged incident together with a fee of £10.00. If the objection is upheld this fee will be refunded.
14. Any member or competitor who commits any of the following offences may be asked to leave the Showground with loss of entry fee and may be barred from further competitions until he or she has appeared before the Committee:
 - a) is in any way cruel to a horse/pony e.g. excessive use of the whip
 - b) wilfully damages any property of the Club or fixtures used by the Club
 - c) deliberately deceives the Club in any entry for any event
 - d) brings the good name of the Club into disrepute by any method, including the inappropriate use of social media

COMPETITION RULES

15. The Committee reserves the right to exclude from ridden classes any horse or pony under four years old or one in poor physical condition.
16. The onus is on the competitor to be available for classes when called. Failure to do so may result in elimination. It is also the responsibility of the competitor to avoid entering classes that may clash and to inform the Ring Steward if they are going to be late for any class.
17. A competitor may be eliminated who receives "outside assistance" – this will be at the judge's discretion.

18. Late entries will only be taken at the discretion of the judge.
19. No rider may carry, use or permit to use, a whip or crop exceeding 30" in length overall, nor one that is weighted at the end, in the Jumping Ring or Collecting Ring. No substitute for a whip may be carried in any competition. In Dressage, whips may be any length.
20. Working Hunter classes are run under the guidance of BSPS/SHB(GB) Rules as closely as possible.
21. Only competitors for the ShowJumping class in progress will be allowed in the collecting ring and the practice jump must not exceed the height of the fences in the class in progress. This also applies to Working Hunter classes.
22. Membership cards to be shown to qualify for members entry fees.
23. All entrants ride at their own risk and the Club accepts no liability for loss, damage or injury.
24. At any competition no ODRC competitor shall argue, behave with incivility or contempt, or use abusive or threatening language towards a judge, official or other competitor (British Riding Clubs Code of Conduct)
25. A neat and tidy appearance of horse and rider is required at all shows and events.
26. Members are required to clean and tidy the field following events, and all competitors are required to remove droppings from the parking area which have been left by their horse.
27. Members are required to help with Club activities as stated on the membership form.
28. A junior is a competitor who is under 18 on 1 January 2020, i.e. if the competitor reaches the age of 18 during 2020, she/he continues to be classed as a junior until 31 December 2020.
29. Bitless bridles are permitted in all Showing and Working Hunter classes.

Retraining of Racehorses

ODRC Dressage and ShowJumping shows are registered with RoR for competitors to participate in both RoR Regional League and the RoR Riding Club Challenge. The aim of the RoR is to attract and promote ex-racehorses competing at riding club level. Full details of the league and Challenge can be found at <https://www.ror.org.uk>.

Qualifiers

"Qualifying" means that the riders placed 1st and 2nd in some cases at some of our shows are eligible to compete at a bigger show elsewhere against winners of other local competitions, i.e. at a higher standard of competition. There will be qualifying classes at our shows throughout the season. For further details please visit our website <https://odrc.co.uk> or speak with the [show organiser](#).

Disabled riders

Are you, or is anyone you know disabled in any way and require(s) special parking? Please contact the [show organiser](#) before the day to enable them to make provision in advance. Please display your blue badge on the day at the show if you have one. Otherwise notify the Show Organiser of the nature of your disability. We are an inclusive club and welcome riders of all abilities. Please talk to the show organiser about any particular needs you may have which the judge might usefully be made aware of. Please advise at time of entry.

Photography at Shows

Please note that there may well be a photographer at the shows. If you do NOT want to be photographed please let the photographer know on the day. All juniors must sign on their membership form to give their consent to being photographed or videoed which in turn be signed off by a parent or carer.

Catering at Shows

We hope to have a professional catering vehicle at each of our shows providing us with hot and cold food and drinks. Please support them and make it worth their while coming to the club.

Teams and Team Competitions/Qualifiers

O&DRC regularly enters teams in competitions for Showjumping, Dressage and Horse Trials. Often members are reluctant to put themselves forward for team, fearing that they may not be good enough. O&DRC prides itself on giving its members the opportunity to have a go at new activities. So, if you would like to try any of the team activities, please contact one of our [team managers](#) and they will endeavour to put you with a group of similar standards. They will also be organising training days for potential team members so you can get an idea of the standard required and meet other potential team members.

Instruction & Training

The Club has a very successful track record for instruction, with many members taking advantage of the comprehensive courses offered, taught by the excellent instructors are fortunate to have in our area. We organise training in flatwork, Showjumping, and cross country. Contact our [Instruction Co-ordinator](#) if you want to take part in a course. Check the Club Newsletter, Website, Facebook Page and your email inbox throughout the year for details of forthcoming training opportunities.
